

The President's Message

I take this opportunity to wish everyone a Happy New Year. I sincerely wish everyone could reflect upon a successful last year. We should now be prepared to enter the New Year with the enthusiasm necessary for success in all of our professional challenges. Reflecting on the business climate of last year, many have learned to be successful we must adapt and sometimes assume new specializations. We should continue to be flexible and seek out opportunities to enhance and improve our professional standing.

I would like to comment on the dedication and hard work from these individuals that have continued to drive our association forward; Vice President: Judge (Ret) Tom Kelly, Secretary/Treasurer: Connie Bonnette School Director: Scott LaCagnin, and Co-chairs: Art Cantrell and Tom Nelson, I look forward to working with each of them.

I likewise look forward to visiting and working with all of you in the coming months. I encourage all members to offer suggestions and recommendations so our association may continue to fill the requirements for success in our profession. NTPIA is your association so your concerns, contributions and even complaints are necessary for our continued success. A reminder, membership renewals are due in January through February. Please visit the NTPIA website and complete the online renewal or you may download the form and mail with your check. I would also ask you to ask other PI's that are not NTPIA members. Invite them to attend and become a member so they may begin to experience the networking and learning opportunities.

See you all at the January 11, 2012 NTPIA meeting.

Respectfully,

Lee Young, TCI

President
